

Dear Parents,

State Law Act 195 authorizes the loan of textbooks by the Secretary of Education to children enrolled in non-public schools. Act 90 authorizes the loan of instructional materials. St. Michael the Archangel School is now in the process of requesting the specific textbooks and materials to be loaned to our children. The law requires, however, that a parent of each child attending the non-public school request the loan of books and materials. Therefore, please complete the Textbook Loan Request Form below and return it to school without delay.

Thank you.

Mr. Harry Reese

Interim Principal

(Please detach and return to the school office)
