A Message From Your Advancement Director

Our Story Hour is filled! If you are registered you should have received an email from me with details for that day! It is going to be a great time!

Be sure to check out Mrs. Gano's email sent today with the announcement of our new 23-24 Faculty & Administration!

I added a new section to the St. Mike's News. The "Back to School Planning" page will especially be helpful for new families & helpful for existing families as well.

A reminder that St. Joseph Church invites you to "FAITH ON THE FARM" -- a VBS experience -- on August 12, 2023! This experience is designed for children in Pre-K through 4th grade, with 5th through 12th grade students invited to be our Special Assistants (great way to earn service hours!).

REGISTRATION IS NOW OPEN, and will close on **August 1st!**

If your child requires any medications or EPIPENS PLEASE READ!

Below is required paperwork that needs to be completed **BEFORE school**. We also recommend you bring in your child's medication the week before school starts so the nursing staff can prepare all the paperwork ahead of time and are aware of allergies/medication requirements for each class.

You can make drop off arrangements with us as it gets closer.

Orientation Invitations

Official Invitations for Kindergarten, Pre-K and 5th Grade Orientations will be sent out next week via email. Invitations will also be sent to families who have children transferring into our school that are not in those three grades so you can visit the school and speak with administration.

Option C Registration/Conversion

By the beginning of next week, our Option C communication system will be converted to the 2023-2024 school community. There will be an Option C form in your Back to School paperwork that you will receive **electronically** mid-August. At that time you can update your profile to add any additional contact information. You will get email alerts, weather alerts, and announcements throughout the school year.
