A Message From Your Advancement Director

The 2023-2024 School Year is here! This time next week, we will be underway and our halls will be filled our amazing students, faculty and staff. SO much work has occurred over the last several months and we hope that you as families notice the upgrades and changes we have made.

A lot of my St. Mike's News is repeated from last week because it is important information that I do not want missed. There is new information included as well.

Our 2023-2024 Handbook will be launched tomorrow. A separate Option C email will be sent. Be sure to review this, an acknowledgement form will be sent home the first week of school to sign off that you have reviewed it and understand the contents

All welcome letters have been mailed out to families by now. If you have not received a welcome letter yet from your teacher, please reach out to me via email and I will let you know the class your child is in.

Finally, especially if you are an elementary school parent, please make sure to read our new security protocols regarding the front entrance of the school as well as some changes you will see in our day to day procedures.

I look forward to seeing everyone on Monday! Let's get this party started!

-Lindsey Heil

LET'S GET THIS PARTY STARTED

HSA Pizza Fridays

Pizza Fridays are Back!

Pizza Friday is a fundraiser for our HSA that raises funds for teacher appreciation efforts and fun community building activities. The HSA offers pizza for lunch every Friday (**except early dismissal days**).

This year we are offering a Half Year Ordering Option for a limited time! This means that you can order a 1, 2 or 3 slice meal with a water bottle for half the school year with one purchase! Ordering for the second half of the year will be offered in January. **Half Year Ordering is available now through August 31st at 10PM.**

Our weekly ordering option will still be available all year and will go live on September 1st. The first Pizza Friday is September 8th.

Late orders can not be accepted.
