A Message From Your Advancement Director

Happy First Week of School to all of our families! It is so great to see all the students back in our halls.

We want to say thank you to all of our families for being patient during arrival and dismissal this week. It is important to make sure our new students are acclimated to the procedures we have and learn to feel comfortable with our staff.

Your final packet of paperwork will be sent home in today's communication folders. Each child will have a blue folder that is sent home with them today that includes important information. **For new families**, there is some information that goes home for each child in your family. Some information is only sent home with

your youngest child if only one copy is needed per family. These folders are sent home EVERY Wednesday, so please make sure to check these.

A reminder that we are off this Friday, September 1st and Monday, September 4th for Labor Day. We will resume classes on Tuesday, September 5th.

Finally, **Spirit Dress Down days will begin the first Friday in October**. I will send a reminder out as it gets closer, along with guidelines for Spirit Days for new families. You can also find these guidelines in our Family Handbook found under the Parents tab.
