UPCOMING ASSEMBLIES & SPECIAL EVENTS

HISTORY DAY COMPETITION

Theme: "Turning Points in History"

Our 8th Grade class has been working hard over the last several months and are preparing for the National History Day Competition on January 26th.

The students choose a topic and dive deeply into the past by conducting extensive research in libraries, archives, and museums. They present evidence through papers, performances, documentaries, or websites, moving through a series of contest levels where they are evaluated by professional educators.

NHD equips students with college- and career-ready skills of collaboration, research, writing, and innovative thinking that come from the study of history and civics.

GOOD LUCK 8TH GRADE!!

***3rd & 4th Grade Assembly
Tuesday, February 13th***

Our 3rd & 4th Grade classes will enjoy a fun and educational program using audience interaction, and science to talk about our environment and how we are all connected to planet earth.
