

HOW DOES YOUR SUPPORT MAKE A DIFFERENCE AT ST. MIKES?

Dear Friend of St. Michael the Archangel School,

"The most important things in life are the connections you make with others" - Tom Ford. We each have our own personal connection to St. Mikes. This connection may be through family, through your parish, or your connection may be to support a growing school that gives their students exciting opportunities to learn, serve, lead and explore their faith. Whatever that connection may be, memories and experiences shared continue to flourish in our halls and school community. With a gift to this year's Annual Fund, today's students and families, and others to come, will continue to build these memories.

Here are only some of our memories this year and we have only just begun:

Thanks to our Home & School Association, each campus re-introduced the tradition of raising the American Flag outside the school with a Flag Raising Ceremony. Veterans of family members were in attendance as well as our local Police and Fire companies.

We had our first "Color Walk." Our students celebrated "God's painting of life" at this year's Walk-A-Thon!

We partnered with Victory House of the Lehigh Valley. Our Middle School Families had the opportunity to cook and serve homeless Veterans a meal.

We re-introduced our Middle School Student Council. These members have raised money for local charities and have been a pillar of leadership for our school in several events.

The students have enjoyed several assemblies thus far that have promoted our student's love for Reading and Literature.

We cannot do this alone, we are thankful for the shared commitment of our families, our volunteers, our staff, and our community. Together we continue to live up to St. Mike's mission and vision for the future. Help give today's students even more opportunities to build memories. If a donation is within your means we respectfully and humbly ask you to consider a gift of \$100 or more. However, we are blessed by any financial support that you can provide.

Thank you for investing in the future of St. Mikes!
