

ST. MIKE'S NEWS

A Message from your DRE

A request for prayers and support:

Some of you may remember Mrs. Bosak, our former MS Art teacher. Mrs. Bosak dedicated many hours and shared her artistic expertise lovingly with our students for many years. The MS Art studio is, in fact, dedicated to her. She now faces some major health issues. Hearing from some SMS families, whether you know her or not, would be a great source of support for her.

If you would like to send her a card at:

Mrs. Gene Bosak
3834 Hawthorne Dr.
Center Valley, PA 18034

Our Middle School students had a different experience of praying the Stations of the Cross today. Ask your child about it!

Many thanks for your donations to our "Kenya Quarters for Clean Water" collection. We are so grateful to all who are being generous in their support of this project for the people of Our Lady Queen of Peace Parish in Karuiro, Kenya. Our donations will help this small village build a water reclamation/treatment/storage system.

7th & 8th Grade Career Fair

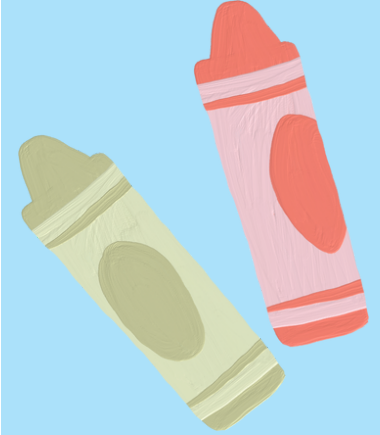

We are hosting our first ever Career Fair for our 7th & 8th Grade students on Friday, May 10th.

These students will be learning how to write a resume in their English classes as well as taking a survey on careers that interest them. On the day of the career fair, they will bring their resume and go around to each table, asking questions and learning about different professions.

The goal of this event is to enlighten our students about the countless opportunities that await them in the future, as well as learn how to communicate, ask questions, and be confident in a professional environment

A letter will be going out to St. Mikes Alumni within the next week, but if you know a St. Mikes Alumni who would be interested in having a table at this event, please contact Mrs. Heil!
