CYO News

We still have no coaches for 3rd and 4th grade girls basketball. If we do not have coaches by the end of this week, we will not have a team this year. All other grades will have teams as we have at least one coach, but we can always use helpers!

Want to learn coaching techniques from Central Catholic, Notre Dame-Green Pond, and Bethlehem Catholic basketball coaches? Free clinic on October 6th! Please reach out with questions about coaching or for details.

ACCHS Girls Volleyball CYO Night in Rockne!

Thursday, September 19 vs. Nazareth (JV @ 5:30pm, Varsity @ 6:30pm)
CYO athletes should wear your current
CYO team uniform; sit together and cheer on the ACCHS team,
AND smile big when they are recognized before the Varsity game!

St. Mike's volleyball will have games this Saturday 9/28 at 11AM and 2 PM. Come to St. Thomas More to cheer on our lady Knights! Good luck team!

The cross country team had a tremendous showing at the ACCHS invitational. The team won 6 out of a possible 7 team titles. (K-2 girls & boys, 3/4 girls, 5/6 girls & boys, and 7/8 boys) Many of our recently mentioned medalists once again earned hardware, but this week included Parker Casilio (6th grade) who took home his very first cross country medal. Way to go!

The team will compete at Bethlehem Catholic this Sunday at 2:15pm.

Student Council Corner

Our 2024-2025 student council had their first meeting yesterday! They have a lot of exciting things planned!

- 4: Stay tuned for more information on the Dime Lines Fundraiser in October. New this year, half of the proceeds raised will go towards our Turkey Drive. For every \$25 raised by our classes, Student Council will donate a turkey to a local shelter. There will be an opportunity for families to help deliver these turkeys to the shelters the Saturday before Thanksgiving. More Info coming soon!

Upcoming Assemblies

Elementary School

Thursday, October 3rd

Skydome Planetarium Assembly
Special Thank you to Dr. Melissa Wilson who helped sponsor this assembly from last years Night of Knights event!

Our students will take a 45-minute journey through the universe from the comfort of our own gym! They will enter the inflatable planetarium and take a tour of the solar system.

Students will enter the dome and be introduced to a "star filled" sky. The presenter will guide students through the stars. Students will learn how to identify every planet in our solar system in dramatic "flights" towards each world. They will be introduced to Greek mythological characters and see how these heroes of the past can be found in the stars. Students will witness the night sky in different seasons and from different global perspectives. We are excited to bring this to our PreK - 4th Grade Students!

Middle School

Thursday, October 31st

Dialed Action Sports: Choreographed BMX Show
"Cyber Bullying: Hiding behind the screen"

Yes, you read that right, there will be a BMX show at our Middle School! While entertaining our students through stunts and tricks, they will also cover the importance of enjoying the outdoors, not hiding behind the phone screen and they will deliver a powerful message about the importance of respect, kindness, and teamwork.

Through personal stories and examples, the BMX athletes inspire students to take a stand against bullying and promote a culture of respect and inclusivity.
