"They bring the Zoo to YOU!"

Lehigh Valley Zoo offers a Virtual Program for students where each class can participate in a LIVE 45 Minute Program right from their own classroom! The program features a live Zoom presentation with **FOUR** animals and an educator! Students will have the opportunity to ask questions and get real-time answers from our educator!

We are excited to try out this program for Grades PreK-4th Grade!

Middle School Thursday, October 31st Dialed Action Sports: BMX Show "Cyber Bullying: Hiding behind the screen". Sponsored by the HSA

Yes, you read that right, there will be a BMX show at our Middle School! While entertaining our students through stunts and tricks, they will also cover the importance of enjoying the outdoors, not hiding behind the phone screen and they will deliver a powerful message about the importance of respect, kindness, and teamwork.

Through personal stories and examples, the BMX athletes inspire students to take a stand against bullying and promote a culture of respect and inclusivity.
