## Volunteer Opportunities

We have volunteer opportunities! If you are interested, please contact Mrs. Heil directly.

**I also want to take this opportunity to address our Lunch Program. As great as the launch has been, we are struggling to get volunteers for every day, every shift at BOTH schools. Administration and Staff members are being pulled most days to do lunch duty and we have had many issues of no shows. If you have an opportunity to volunteer, please visit our sign up pages: [Click Here](#)**

## CYO News

This weekend our JV volleyball team travels to St. Joseph the Worker. They will play on Saturday at 10AM! Keep up the good work and Go Knights!

Our cross country team will travel to the Notre Dame High School Invitational at Notre Dame-Green Pond. Races start with K-2 at 2:15PM. **This past weekend at Bethlehem Catholic our team won 6 team titles (K-2 girls & boys, 3/4 girls, 5/6 girls & boys, and 7/8 boys), 2 individual championships, and 38 individual medals.** Some of the St. Mike's students earning personal records (PR) this week were: Mila Lawler, Jemma Kardos, Nora O'Connor, Isla Lewis, Zelig Adomshick, Zoey Markowski, Joseph Scheidel, Fiona Egge, Teaghan Miller, and Sam Grubb. In addition to this group was Charlotte Harpster (7th) who not only had a PR but also had her highest finishing position (3rd in 7/8 girls) for the season! Congratulations to all of these hard working runners and all our other medalists!

Thank you to everyone who has stepped up and volunteered to be a basketball coach this year! I am happy to report we will have at least one team in every division. **If you still need to register your child for CYO in order to play basketball or do cheerleading please register using the following link:**  
<https://go.teamsnap.com/forms/441027>

If you are already registered, rosters will begin to emerge next week, so stay tuned. For coaches that wish to attend the free coaching clinic this Sunday, October 6th I am still waiting for the link. But you can always contact me at [Colfitzpat@gmail.com](mailto:Colfitzpat@gmail.com) to let me know you will be attending. I understand boys' basketball coaches from Central, ND, and Becahi will be leading the session. They are hoping to add a second session with girls' basketball coaches on October 20th.

## Upcoming Assemblies

### Elementary School

**Thursday, October 3rd**

Skydome Planetarium Assembly

Special Thank you to Dr. Melissa Wilson who helped sponsor this assembly from last years Night of Knights event!

Our students will take a 45-minute journey through the universe from the comfort of our own gym! They will enter the inflatable planetarium and take a tour of the solar system.

Students will enter the dome and be introduced to a "star filled" sky. The presenter will guide students through the stars. Students will learn how to identify every planet in our solar system in dramatic "flights" towards each world. They will be introduced to Greek mythological characters and see how these heroes of the past can be found in the stars. Students will witness the night sky in different seasons and from different global perspectives. We are excited to bring this to our PreK - 4th Grade Students!

### Middle School

**Thursday, October 31st**

Dialed Action Sports: BMX Show

"Cyber Bullying: Hiding behind the screen"  
Sponsored by the Home & School Association

Yes, you read that right, there will be a BMX show at our Middle School! While entertaining our students through stunts and tricks, they will also cover the importance of enjoying the outdoors, not hiding behind the phone screen and they will deliver a powerful message about the importance of respect, kindness, and teamwork.

Through personal stories and examples, the BMX athletes inspire students to take a stand against bullying and promote a culture of respect and inclusivity.
