Lehigh Valley Zoo offers a Virtual Program for students where each class can participate in a LIVE 45 Minute Program right from their own classroom! The program features a live Zoom presentation with **FOUR** animals and an educator! Students will have the opportunity to ask questions and get real-time answers from our educator!

Dialed Action Sports: BMX Show "Cyber Bullying: Hiding behind the screen". Sponsored by the HSA

Yes, you read that right, there will be a BMX show at our Middle School! While entertaining our students through stunts and tricks, they will also cover the importance of enjoying the outdoors, not hiding behind the phone screen and they will deliver a powerful message about the importance of respect, kindness, and teamwork.

Through personal stories and examples, the BMX athletes inspire students to take a stand against bullying and promote a culture of respect and inclusivity.

## **2024 EITC Drive**

### **What is EITC?**

EITC stands for the "Educational Improvement Tax Credit Program." It is a 20-year old Pennsylvania state government program that allows families to re-direct their state taxes to a private school of their choice.

### **Why Should I Care?**

Re-directing your state tax payments to St. Mike's will fundamentally strengthen our school's fiscal health, at minimal cost to your family. All funds directly benefit St. Mike's.

### **How Do I Do It?**

On 11/12 and 11/21 @ 8:00PM, the EITC Committee will hold Zoom calls to educate families on how to participate. In December, a reception will be held to celebrate families pledging to participate and answer additional questions for families seeking to learn more. Pennsylvania will refund you 90% of EITC donations you make to St. Mike's.
