Middle School Thursday, October 31st Dialed Action Sports: BMX Show "Cyber Bullying: Hiding behind the screen". Sponsored by the Home & School Association

Yes, you read that right, there will be a BMX show at our Middle School! While entertaining our students through stunts and tricks, they will also cover the importance of enjoying the outdoors, not hiding behind the phone screen and they will deliver a powerful message about the importance of respect, kindness, and teamwork.

Through personal stories and examples, the BMX athletes inspire students to take a stand against bullying and promote a culture of respect and inclusivity.

Parent/Teacher Conferences

Sign ups for Parent/Teacher Conferences will open next week. You will receive an email when they are live.

Once sign ups are open, below are instructions on how to register:

Go to www.optionc.com (If you have never logged in to view your child's grades, the school ID is 3018)

Log in as a parent, not as your child. A tile will appear stating "Parent/Teacher Conferences." Click the tile

If your child attends the MS, a page will open with all your child's teachers. If your child attends the ES, their homeroom teacher will appear. Please choose the desired time slot. Specials teachers will not have conference slots. If slots are filled and you have not scheduled a conference, please reach out to the teacher of interest to schedule a mutually agreed upon zoom meeting or phone call.
