Student Quote of the Week

We asked our Middle School students in what ways have they seen our school theme at St. Mike's. "Follow the Way of Love. See Jesus, Be Jesus."

Here is one of their responses:

"I love how I see other students in the hall between classes and they always greet me! Even when they are not in my class. It makes me feel special."

New Employee Alert

We would like to inform our St. Mike's Families, that Mrs. Imlay, Technology Coordinator and Middle School Technology teacher is no longer at St. Mike's.

We certainly appreciate all she has done during her time with us. We wish her all the best as she journeys to her next adventure.

Miss Corinne Minogue will be taking over her position as the Middle school technology teacher and our Technology Coordinator for the remainder of the school year.

Welcome back Miss Minogue!
