

ST. MIKE'S NEWS

November 20th, 2024

Student Quote of the Week

We asked our Middle School students in what ways have they seen our school theme at St. Mike's. "Follow the Way of Love. See Jesus, Be Jesus."

Here is one of their responses:

"I see Jesus in all of my teachers. They push me to be a better person and a better student everyday. It isn't always easy, but I know I am better for it"

ENROLL NOW

Sibling Enrollment

If you are a current family and you have a younger child that you are looking to have registered for our Pre-K or Kindergarten class for the 2025-2026 school year, now is the time to register! Below are instructions on how to complete their registration. **Registration is currently only open to current families.** Starting on Friday, December 6th, registration will open to the public. Once registration is opened to the public, we can no longer guarantee a spot for your child. So do not wait!

Registration Instructions for a Sibling of a Current Family

Visit www.st-mikes.com

Under the "Admissions" tab click "Apply Now"

Click "Begin Application"

This is fully electronic and completed applications will be sent directly to Mrs. Heil to process.

Registration Fees of \$150 will be billed through your STS Account.

If you have any questions please contact Mrs. Heil directly!

St. Mike's School Counseling

The Carbon Lehigh Intermediate Unit provides school counseling as a resource to our school and community. The counselor assigned to our school provides school counseling services to all students on an as needed basis. These services may include short-term individual counseling, group counseling, consultation with staff and/or families, or classroom lessons. While all students have access to the school counselor for one meeting, any ongoing support requires parent permission. Your child's teacher is your first point of contact for any academic or social concerns you may have. However, parents may also contact the school counselor if you have a concern about an issue that may be impacting your child's ability to succeed in school. Dori Micio, M. Ed. is our school counselor. The counselor can be reached via email: miciod1@cliu.org or phone (610) 769-4111 x1631.

December Lunch Ordering

December lunch ordering is now open!

You can submit orders until 11:59PM on November 28th.

Middle School Families, you will be receiving a Student Council Chick Fil A Fundraiser Flyer in your Blue Folders today. Students will receive their Chick Fil A orders on December 11th. Hot lunch will not be offered for the Middle School students that day.

LUNCH PROGRAM SITE

CYO News

The winter season has begun, the middle school girls basketball teams are getting new uniforms (as the boys got new ones last year), many new practice and game balls have been distributed to the teams, all varsity (7th and 8th) basketball players will be receiving their customized warm up jerseys, and we are hoping to have an exciting solution to the scoreboard situation at St. Joe's/Elementary school by the time games begin.

How do we fund many of our improvements?? The beloved snack bars of course!!

Please take a look at the signup genius and consider a donation. There are pre-packaged items that can be dropped off at a practice or a school. There are soft pretzel slots for weekend games when the gym will be busy. And there is a spot for a monetary donation of your choosing. Even a few dollars help us grow.

CLICK HERE FOR SNACK BAR SIGN UPS

The St. Mike's spirit store is open. The long sleeve items can be customized for cheerleading and basketball. They are great for wearing over uniforms to and from games, especially if your kid refuses to wear a coat! If you are a St. Mike's student, they can be worn on spirit dress down days.

CLICK HERE FOR THE SPIRIT STORE

CALLING ALL PARENTS

- ***DO YOU LOVE ST. MIKE'S?***
- ***DO YOU WANT TO SEE ST. MIKE'S GROW?***
- ***DO YOU BELIEVE IN OUR SCHOOL'S VISION AND WHAT WE REPRESENT?***
- ***DO YOU WANT TO HELP GET THE WORD OUT THERE?***

If you answered "Yes" to these questions, Mrs. Heil wants you!

Join Mrs. Heil on **Tuesday, December 17th at 6PM (This date has changed since last week's St. Mike's News)** at our Middle School campus and be a part of the Parent Enrollment Team. I will be presenting my 2025-2026 Enrollment Plan. I will be asking for parent feedback and the hope is that us together can continue to make a difference!

Please email me if plan on attending! Let's help St. Mike's continue to thrive!

"Catholic education is not only about imparting knowledge, but about forming the heart, nurturing the soul, and inspiring students to serve others in faith, hope, and love."
