HOW CAN YOU FIT INTO OUR SCHOOL'S SUCCESS AT ST. MIKE'S?

Dear Friend of St. Michael the Archangel School,

We are excited to announce the launch of our Annual Fund Campaign for this school year, and we have a fun twist to share with you! This year, our theme is **"Putting the Pieces Together,"** inspired by the idea that each contribution is a vital piece of our school's success.

Just like a **puzzle**, our school is made up of many **unique pieces**, each playing an essential role in creating a **complete and vibrant picture**. Every student, teacher, and family member contributes to the overall success and growth of our educational community. With your support, we can continue to provide exceptional programs, enhance our facilities, and offer enriching experiences that help our students thrive.

We invite you to become a part of this exciting journey by contributing to our Annual Fund. Your generous donations will help us achieve our goals and **ensure that every piece of our school puzzle fits perfectly together.** No piece is too small, and every contribution makes a significant impact. Thank you for your continued support and dedication to our school.

Let's put the pieces together and make this year our best one yet!

"Follow the way of Love."

(1 Cor. 14:1)

"See Jesus, Be Jesus"

"I see Jesus in all my teachers, they push me to be a better student and person"

"I love how I see other students in the hall and they always greet me!"

"I saw Jesus this year through one of the 8th grade students. They saw I was having a rough day and they went out of their way to help and make me laugh."

"I see Jesus in other students when I hear them pray in their classes"

"I see Jesus in my teammates because everyone is always encouraging me"

"I saw Jesus in one our 7th graders, they bought me a drink when I forgot money"

"I see Jesus in all my teachers, they always have a kind smile and are always helping me when I need help."

In what ways do our students see love and Jesus every day?

Here are some quotes by our own students!
