Calling All ST. MICHAEL'S ROOM PARENTS!

The **Home & School Association (HSA)** is excited to partner with school administration to help oversee the Room Parent Program this year!

Our goal is to **strengthen the connection** between families, teachers, and the school community while providing meaningful support throughout the year.

— As a Room Parent, you can expect to: —

Serve as a communication liaison between the classroom teacher and families, following the teacher's established guidelines.

Help coordinate classroom volunteers and activities as requested by the teacher.

Assist with classroom wish lists and supply requests, particularly after the Christmas holiday.

Support HSA-sponsored events by helping coordinate classroom participation in activities such as Christmas party and other school-wide events. Middle school room parents will also be asked to assist with planning and supporting middle school dances throughout the year.

Foster a welcoming and positive classroom community throughout the school year.

The HSA is also updating the **Room Parent Guidebook** to provide clear expectations, communication guidelines, volunteer responsibilities, and helpful resources to support you throughout the year.
