CLASSROOM SHOUTOUT

This week we are highlighting...

KINDERGARTEN!

TWO
CLASSROOMS.
ONE
KINDERGARTEN
FAMILY.

We are so excited to announce that our kindergarten classes will be coming together once a week for special co-teaching experiences filled with fun, friendship, and learning! 🎉

Each week, our students will have the opportunity to learn alongside new friends, work together, explore exciting activities, and build connections beyond their own classroom. From hands-on learning adventures to creative projects and collaborative games, there will be something exciting to look forward to each week!

Learning together.

Making new friends.

Creating and exploring.

Growing together.

We can't wait to watch our kindergarteners learn, laugh, and grow together as one!
